Re: Chris Troxel and Delta Drywall, Inc.

Dear Mr. Basom:

I represent Chris Troxel and Delta Drywall, Inc. I have a copy of your letter dated January 25, 2008, and the booklet dated January 2008. I am in the process of reviewing this information and will provide a written response. From my brief review, it is clear that the comments and characterization of Mr. Troxel and his company made in the booklet are not accurate and are not supported by the evidence or the information in the booklet. We will take legal action as necessary to stop the publication of this material.

Very truly yours,

R.W. Perry
